

Acme Corp - IT Security Policy

Document ID: POL-IT-2024-003 | Version: 2.1 | Last updated: January 2024

1. Password Policy

All employees must use passwords of at least 12 characters containing uppercase letters, lowercase letters, numbers, and special characters. Passwords must be changed every 90 days. Reusing the last 10 passwords is prohibited. Multi-factor authentication (MFA) is mandatory for all systems that support it, especially email, VPN, and cloud services.

2. Remote Work and VPN

Employees working remotely must connect via the company VPN (vpn.acme-corp.com) before accessing any internal systems. VPN sessions expire after 8 hours of inactivity. Using public Wi-Fi without VPN is strictly forbidden. The IT helpdesk is available Monday to Friday 08:00-18:00 CET at helpdesk@acme-corp.com or +49 89 123 4567.

3. Data Classification

All company data is classified into four levels: Public, Internal, Confidential, and Secret. Confidential data includes customer personal data, financial records, and contracts. Secret data includes source code, encryption keys, and merger documents. Confidential and Secret data must never be stored on personal devices or unencrypted USB drives.

4. Incident Reporting

Any suspected security incident including phishing emails, lost devices, or unauthorized access must be reported within 2 hours to security@acme-corp.com. Lost or stolen laptops must also be reported to the local police within 24 hours. The security team will acknowledge all reports within 30 minutes during business hours.

5. Software and Patch Management

Only software approved by the IT department may be installed on company devices. Operating system updates must be applied within 7 days of release. Critical security patches must be applied within 24 hours. The approved software list is maintained at intranet.acme-corp.com/approved-software.

6. Penalties for Violations

Violations of this policy may result in disciplinary action up to and including termination. Intentional data breaches will be reported to relevant authorities. All employees must sign acknowledgment of this policy annually. Questions should be directed to the Data Protection Officer at dpo@acme-corp.com.
